

OUTER HEBRIDES COASTAL COMMUNITY MARINE ARCHAEOLOGY PILOT PROJECT

The Outer Hebrides coast is rich in intertidal and shoreline archaeology. Become part of a community project that discovers new sites and shares knowledge

Have you seen anything like this whilst fishing, diving or walking near the sea?

Have you seen tree stumps, stone or wooden structures under water or buried at the beach?

If you are interested in this island chain community project, please contact us

Pròiseact Coimhearsnachd nan Eilean Siar: **ARC-EÒLAS NA MARA SNA CLADAICHEAN**

Tha cladaichean nan Eilean Siar còmhdaichte ann an làraichean arc-eòlais, air tìr agus fon mhuir. Nach gabh sibh pàirt anns a' phròiseact choimhearsnachd seo, a' lorg làraichean ùra agus a' toirt seachad fiosrachadh mun deidhinn

Am faca sibh riamh rudeigin mar seo, 's sibh ag iasgach, a' daibheadh fon mhuir no a' coiseachd ri taobh na mara?

Am faca sibh piosan de chraobhan, no toglaichean fiodha/ cloiche fon mhuir no fon ghainmheach?

Ma tha sibh ag iarraidh pàirt a ghabhail anns a' phròiseact choimhearsnachd seo, no fiù 's ma tha fiosrachadh agaibh, nach leig sibh fios gu:
