

*Marine Archaeologists – John McCarthy, Jonathan Benjamin & Simon Davidson of  
WA Coastal & Marine*

*Will hold a talk about Marine Archaeology in general and their discoveries as part  
of the Drumbeg survey including an EXCLUSIVE premiere of their 3D modelling of  
the Drumbeg Site – not previously published!*

Venue: Drumbeg Village Hall

Date: Wednesday 8 May 2013

Time: 7:30pm

Admission: Free (including light refreshments)

Project SAMPHIRE Aims – to build up links between archaeologist and local communities with knowledge of unreported possible marine archaeological sites.
